4. Q&A

OUR TEAM

FULL NAME

Highlight bits about each team member that are relevant to this specific pitch and project.

FULL NAME

Role, location, past ventures, and more—anything that will let this client know why the team is so qualified to get the job done.

FULL NAME

If sharing async, you might want to link to profiles on your team's website, or on social sites like LinkedIn.

AGENDA ITEM

OUR MISSION

Tell the client what the team is all about—who you are at your core, and what you aim to achieve.

OUR PURPOSE

TELL THE CLIENT WHAT THE TEAM IS ALL ABOUT—WHO YOU ARE AT YOUR CORE, AND WHAT YOU AIM TO ACHIEVE.

WHAT WE DO

- Quickly list your team's specialties.
- Keep each of them short and sweet.
- Make them easy to scan and remember.
- Only highlight the most important bits.

OUR PRINCIPLES

1

PRINCIPLE EXPLAINER

Add a quick description of each of your principles—for building product, designing, etc.

2

PRINCIPLE EXPLAINER

Keep them as short and sweet as possible, so they're easy to understand.

3

PRINCIPLE EXPLAINER

If it's helpful, you might link to examples of your work that reflect each principle.

4.

PRINCIPLE EXPLAINER

If you have fewer than four, simply cut what you don't need and shift the rest around.

OUR PROCESS

01 PHASE OF PROCESS

Break down the phases of your process for your client, so they grok how you do your work.

02 PHASE OF PROCESS

Provide details for each step, like what's involved, how long it takes, and any other critical bits.

03 PHASE OF PROCESS

You can change the width of each step above, and the rest will adjust automatically.

04 PHASE OF PROCESS

You can use multiple copies of this slide if you have more steps.
